3. **Request for Budget Transfer (#09-41): Increase in Expenditures with Offsetting Increase in Revenue: To move money from the Reserve Fund Balance of the Rails to Trails Special Revenue ct to fund design services required to receive a Transportation Enhancement Grant from the American Recovery & Reinvestment Act:**

Doug Hartman explained that this budget transfer will move money from the Reserve Fund Balance of the Rails to Trails Special Revenue Account to fund design services required to receive a Transportation Enhancement Grant from the American Recovery and Reinvestment Act. The grant has to be "State Let" which requires extensive design services to be performed before receiving the grant. To meet imposed deadlines, design services cannot be funded through grant money.

Motion made by Supervisor Wetzel and seconded by Supervisor Brunette to approve. MOTION APPROVED UNANIMOUSLY

4. **Request for Budget Transfer (#09-46): Increase in Expenditures with Offsetting Increase in Revenue: To establish increased funding for a project on the Fox River Trail:**

Motion made by Supervisor Warpinski and seconded by Supervisor Brunette to approve. MOTION APPROVED UNANIMOUSLY

NEW Zoo:

8. **Resolution re: Change to Table of Organization New Zoo: Delete (1.0) FTE Lead Concessionaire Supervisor and create 1.0 FTE Guest Service Coordinator:**

Neal Anderson and Maria Fischer explained that because of an expected increase in visitors at the Zoo when the Mayan Taste of the Tropics Restaurant opens in the Fall, they are requesting that the Lead Concessionaire Supervisor position be deleted and replaced with a FTE Guest Services Coordinator position in pay grade 12 of the Administrative Compensation Plan. Fiscal impact is approximately \$7,654.

Human Resources have reviewed this request, noting that the current guest services staff is entirely LTE based on seasonality of the business. Impact of the Mayan Restaurant will make operations year round, and it is their opinion that it is essential to have an administrative position to assist with this coordination. The position will require a more in-depth knowledge of food service and retail sales. The NEW Zoo is an enterprise fund. Questions by the committee resulted in the consensus to approve the position.

Motion made by Supervisor Wetzel and seconded by Supervisor Warpinski to approve. MOTION APPROVED UNANIMOUSLY

9. **Update on Mayan Food Court Project:**
